Fall Reflections & Upcoming Events

Fall is a wonderful time of year to reflect and be thankful for family, friends, and everyone who touches our lives. It's also a season to wrap up the year's accomplishments, celebrate the differences we've made, and start planning our goals and activities for the year ahead.

The Scholarship Luncheon was truly inspiring! Dr. AJ Weinhold delivered a powerful and uplifting speech that set the tone for the day. Even more moving were the heartfelt words from our scholarship recipients. Hearing their stories — where they came from, the challenges they've overcome, and their deep gratitude — was a powerful reminder of the impact we make together.

The Scholarship Luncheon highlighted what our club is all about: creating a community of friends, working together for the greater good, and making a difference in students' lives. Through volunteering, friendship, and our shared efforts, we help students reach their goals and go on to inspire others in turn. It is such a rewarding feeling, and I couldn't be prouder to be a member of this remarkable group of women. I look forward to many more years of service, friendship, and supporting ISU student success together.

Sincerely, Evelyn Hoover
Publicity Chair
