Our Interest groups are virtual!

Some of our interest groups are being revived virtually! The pandemic has forced us all to change the way we approach activities and groups, but the board is excited to share these options with our members!

Raising Money for Scholarships

The COVID 19 pandemic has created an inability to host events and scholarship fundraisers in 2020 that our club members normally have the opportunity to attend, therefore, the club board wants to extend a free membership to our current members for the 2020-2021 year.

We look forward to your continued membership. Please complete the membership form, (found at <https://forms.gle/9zdTsMuK5NoWSVY56>) even if there are no changes from the prior year.

Although membership is free this year, we know that many members understand how much their annual contribution to our ISU Student Scholarship fund helps out, especially during this pandemic that has dramatically affected ISU students. If you would like to donate this year we would be very grateful for your support!

Checks should be made payable to "ISU Women's Club" and mailed to 921 S 8th Ave, Stop 8239, Pocatello, ID, 83209-8239. Or you can donate via Venmo by searching for "Vice President @ISUWC"

If you have questions about membership or contributions, please contact Club President, Chanel Quirk at quirchan@isu.edu

Two 2021 Scholarship Recipients

Isaac Mattson

Thank you so much for accepting me for this scholarship. My major is computerized machining. Before entering the program, I could not tell you what a mill looked like, but now I use computer programs to design precision parts. My goal is to get a job with one of the local machining shops, and eventually open my own. I am so grateful for your help in me achieving my career goals.

Carina Cardona

I am very grateful that I was selected as a recipient for the Ruby Taylor Scholarship. I am a first-generation student, double majoring in Health Science and Spanish for the Health Professions to achieve my dream of becoming a Physician Assistant. Receiving this scholarship means the world, as it has helped me come one step closer to achieving my goal. My family and I are forever grateful to you.
